

1). In the past five years have you had to work a second job while working at the University? If yes, why?

Yes. I have always had a part-time job since I started working at the U. It is the only way I can make ends meet.

2). While working here have you needed to borrow money or use a credit card to make ends meet?

No. That is the reason I carry a part-time job.

3). If you made a livable wage, what would you be able to do that you can't do now? (In 2003 the Jobs Now Coalition estimated that the hourly wage needed to meet monthly basic needs for a family consisting of one adult with 2 children was \$19.46)

I would be able to have just one job. Maybe get a good car.

4). At your present salary, what do you go without?

I go without a lot. I really don't know what I go without because I have always gone without.
