

1). In the past five years have you had to work a second job while working at the University? If yes, why?

No. I can't afford more daycare. Second job wouldn't help.

2). While working here have you needed to borrow money or use a credit card to make ends meet?

Yes, because people who save and do the right thing usually get robbed at work or on the way home.

3). If you made a livable wage, what would you be able to do that you can't do now? (In 2003 the Jobs Now Coalition estimated that the hourly wage needed to meet monthly basic needs for a family consisting of one adult with 2 children was \$19.46)

"Grow in life." Be a productive citizen.

4). At your present salary, what do you go without?

Entertainment. Vacation. More money to spend on my family.
