

1). In the past five years have you had to work a second job while working at the University? If yes, why?

***Yes always, because it is impossible to support a family or a single household with this low wages, especially when the cost of living keep on going up.***

2). While working here have you needed to borrow money or use a credit card to make ends meet?

***Yes, I had to borrow money and use credit card for every day leaving necessity. I live modeless and drive old car.***

3). If you made a livable wage, what would you be able to do that you can't do now? (In 2003 the Jobs Now Coalition estimated that the hourly wage needed to meet monthly basic needs for a family consisting of one adult with 2 children was \$19.46)

***I will be able to pay my debt and wound really on credit. I will be able to eat healthier foods, and enjoy life a little more.***

4). At your present salary, what do you go without?

***I go without nutritious foods, prescriptive medicine, clothing, reading glasses, reliable transportation because our job requires a lot of driving.***
