

1). In the past five years have you had to work a second job while working at the University? If yes, why?

No, but I have only been here a year and a half and have considered getting a second job to help pay bills.

2). While working here have you needed to borrow money or use a credit card to make ends meet?

Yes, I have had to actually get a credit card to help pay for gas and other bills, where as before I never had a credit card.

3). If you made a livable wage, what would you be able to do that you can't do now? (In 2003 the Jobs Now Coalition estimated that the hourly wage needed to meet monthly basic needs for a family consisting of one adult with 2 children was \$19.46)

I would be able to take a real vacation, eat proper foods, move out of my mom's place, etc.

4). At your present salary, what do you go without?

New clothes, true vacations (I spent my last "vacation" at home), full meals everyday, living on my own.
